

SUPER KEEPER

DESCRIPTION :

Super Keeper takes soccer to the next level of gameplay! The objective is to try scoring a goal against the world's fastest goal keeper. The Super Keeper is equipped with unmatched technology, real-time tracking and an ability to stop a ball shot at 100 km/h, guaranteed to take any athlete to the test ! The world's best robotic goalie defends it's territory so precisely that Smaaash USA challenged the Soccer champions to score against it and promised to give away a Harley Davidson motorcycle to anybody who scores 5 shots. Of 3,800+ who tried their luck only 1 person could successfully conquer the coveted SUPER KEEPER.
