FINGER COASTER

DESCRIPTION :

Ever dreamt of experiencing the scariest roller coaster ride in the world? Well, now it's right here at Smaaash. Design the thrill path yourself! In this two part experience game, draw the roller coaster ride of your nightmares as you add in twists, drops, rolls and turns, each crazier than the other. So you have the roller coaster on your finger tips!

The fun doesn't stop there, as you next get to put on your Oculus Rift headsets and take your seat on a stationary roller coaster, and allow virtual reality technology to take you on the insane ride you've just designed.
